

FIRST Robotics: Team in a Box

While a rookie year in FIRST Robotics can be challenging, there are many veteran teams ready to guide your team on and off the field. This kit is designed to help you have a successful year.

The red disk inside is a DVD including interviews with FIRST employees, national award winners, and other FIRST veterans. The blue disk is a CD resource center. Experienced FIRST teams and organizations have provided guides, videos, and templates that will help get your team up and running.

FIRST Robotics: Team in a Box

More veteran teams have provided their input this year to help you get started. We hope you enjoy it!
